## On-site Monitoring Rubric OBSERVATION Components

**NAME OF PROVIDER: GEO**

**SITE: 21<sup>st</sup> Century Charter School (Fountain Square) 2 Multi-Purpose rooms**

**TUTOR'S INITIALS (ALL TUTORS OBSERVED): PR, JGH, ME, & MH**

**NUMBER OF LESSONS OBSERVED: 4**

**DATE: March 28, 2006**

**REVIEWER: ST/MC/LR**

**TIME OF OBSERVATION: 4:30-5:30pm**

During the site visit, IDOE personnel will visit several tutoring sessions to observe lessons being provided. IDOE reviewers will be looking to see that actual tutoring matches lesson plan descriptions that are provided in requested documents, as well as those that were provided in the original provider application; that tutors and students are spending an appropriate amount of time on task; that instruction is clear and understandable; and that instructors seem knowledgeable about lesson content.

Each provider will receive a mark of "Satisfactory" (S) or "Unsatisfactory" (U) for each component. Providers receiving a "U" in any component will be required to address deficiencies within 30 calendar days of receiving their final report. Failure to address deficiencies will result in removal from the state approved list.

COMPONENT	S	U	REVIEWER COMMENTS
Lesson matches original description in provider application	S		Students worked mostly independently 1) by individually completing individualized assignments in math & language arts in the A+ computer learning program, 2) in small groups on critical thinking/problem solving activities, and 3) in small groups on math war card game practicing addition skills. Instructors were available as resources, however, an instructor worked directly with the critical thinking group.  Observed lessons match original description in provider application.
Instruction is clear	S		Instructors were available to provide guidance if/when students requested assistance.
Time on task is appropriate	S		Students generally stayed on task. Instructors monitored students and redirected students when they were off task.
Instructor is appropriately knowledgeable	S		Instructors were able to immediately clarify assignments and questions regarding activities when students requested assistance.
Student/instructor ratio: <b><u>about 6:1</u></b>	S		Application notes that ratio will be 10:1, however, the ratio in the observed tutoring session was actually lower. Application also notes that instruction will be individual, small groups, or computer-based. Small group and computer-based instruction was observed.

The following information is rated “Compliance” (C) or “Non-Compliance” (N-C). Upon IDOE request, selected documentation listed for each component must be submitted as part of the site visit monitoring. The contact person listed for each provider will be contacted for the required information and will be informed which documents, policies, or descriptions will be required for the compliance components. Documentation may be submitted by the company or organization head, an on-site representative, or any other authorized representative appointed by the organization. Documentation must be submitted during the IDOE site visit or within seven (7) calendar days after the site visit.

**Failure to submit compliance documentation will result in removal from the state-approved provider list.**

If a provider is deemed to be in non-compliance with any component for which evidence has been requested, the provider will be contacted and will be required to develop and submit a corrective action plan for getting into compliance within 30 calendar days. If the corrective action plan is not submitted, if the corrective action plan is inappropriate or insufficient, or if the corrective action plan is not implemented, the provider will be removed from the state-approved list.
